
AUTODESK CUSTOM TRAINING POLICIES

April 2011 — PAGE 1

Training 1 on 1

MCAM NorthWest's "1 on 1" training is for an individual or company. This allows for us to focus your training on what you need to know about the Autodesk software. "1 on 1" training can be located at MCAM or on-site.

All training is pre-paid.

Training 1 on 1 - At MCAM Northwest:

This is custom training that is scheduled for a single customer. It is one instructor to one customer, hands on, up to 6 people from your company may attend.

This training is scheduled by calling MCAM at 503-653-5332. The price is $125 per hour and must be scheduled in 4 hour blocks. (4 hour minimum) All training is pre-paid.

Training 1 on 1 - On-Site:

If you want the Autodesk 1 on 1 to be on-site and your business is located outside of a radius of 50 miles, then travel expenses may apply. We will bring a projector and all necessary materials.

This training is scheduled by calling MCAM at 503-653-5332. The price is $125 per hour and must be scheduled in 6 hour blocks. All training is pre-paid.

Classroom To Go:

Laptop configured with full licensing of Autodesk and (1) motion controller (when applicable). Ready for on-site custom training. The fee is per computer/ per day. $50.
